**I Love Summer**

Hi Friends! My name's Maria. I'm twelve years old and I live in Manchester, Britain. I would like to talk about my vacations. We have a longer school holiday in the summer in Britain.

Next July or in August my mother, my father, my little sister, Sophie and I will go away for two weeks. We will visit different places. We will go to European countries like Greece, Spain, Italy or France. All of us prefer warm places and of course the sea.

During our vacation, I will swim in the sea, sunbathe, do some sports and I will visit famous places and have fun.

We usually travel by plane when we go abroad because it is fast and comfortable. We often stay in hotels, but sometimes we rent a house.
