Third Term English Exam

Text:

Dear Amanda,

I am so happy to send you this letter and tell you about my next summer vacation to Spain. It is the most beautiful country in Europe. I am very happy because I am going to visit many interesting places and historical sites with my parents and two little brothers.

Spain is a wonderful country, it is situated in the south-west Europe. Its capital city is Madrid. The weather will be hot there.

On the first day, we are going to visit the most famous monument in Spain called « the **Sagrada Familia** » in Barcelona. I am going to take lot of photos with my brothers.

On the second day, we are going to visit « **the Alhambra Palace** » It is considered one of the most touristic place in Spain.

After that, my father is going to invite us to a big restaurant there where we are going to taste the delicious Spanish food which is called « **La paella** ». In the evening, we are going to spend our time with the **Flamenco** dance and taking photos with tourists.

We are going to spend nice moments together; it's going to be a wonderful journey in my life.

What are you going to do on your next holiday?

My warm greetings
Maria
