Mohamed Bouslimani Middle School – Medea **Year: 2019/ 2020**

Class: 3MS… **Time:** 1:30

English Exam N° 2

Yasmine Belkaid is an Algerian researcher. She was born in 1968, in Algiers where she raised and did her primary, middle and secondary studies. In 1986, she passed the Baccalaureate with an excellent grade, and joined Bab Ezzouar University. There, she got the Bachelor and the Master degrees in biochemistry in 1990 and 1993. Three years later, she earned a Ph. D from Pasteur Institute (France), in which her investigations were about Leishmania infections.

Following graduate school, Yasmine Belkaid moved to the United States for a postdoctoral at NIAID's Laboratory. In 2008, she became adjunct Professor of Pathology at the University of Pennsylvania.

Dr. Belkaid is best known for her work in Microbiome which has advanced scientific understanding of inflammatory diseases. She won several awards such as: Lurie Prize in 2019.
