

The first term test n 01

# IRON MAN

Tony stork is a wealthy person. He is a tall and slim man. He has dark hair and brown eyes. He is a selfish person, he cared only about himself.

He is a handsome and beautiful but a bit careless. All his life changed when he had a heart operation; he changed his heart by a power source instead. After he was kidnapped and injured by terrorists.

He created a suit of power armor to escape. He can fly using jet boots; his suit gives him a superhuman strength and physical protection. He can Communicate with others through his helmet that contains communication device. He is able also to connect with satellites but he cannot dive. He uses his power to make the world a better place as the invincible iron man
